COMMUNICATION IN REPLY TO SEPTEMBER 24, 2003 OFFICE ACTION

This Communication is submitted in partial reply to the September 24, 2003 Office Action issued by the U.S. Patent and Trademark Office in connection with the above-identified application.

On page 2 of the Office Action, the Examiner stated that the Information Disclosure Statement filed on June 23, 2003 did not fully comply with 37 C.F.R. § 1.98 because copies of the cited references were not provided. The Examiner required submission of the copies within one month, *i.e.* by October 24, 2003 and extension of this deadline was not permitted. Accordingly, this Communication is being timely filed. Applicants note that the remaining issues raised in the Office Action will be addressed in a further communication to be filed in due course.

Without conceding the correctness of the Examiner's statement, applicants provide a courtesy copy of the references listed on the PTO 1449, originally filed on June 26, 2003. Applicant requests that once the Examiner has reviewed the references, he initial and return a copy of the enclosed PTO Form 1449.
